PROJECTS

PENDULUM

Python datetimes made easy.
<https://pendulum.eustace.io>

ORATOR

An ActiveRecord ORM for Python.
<https://orator-orm.com>

ABOUT ME

Born and raised in France, and currently living in the beautiful city of Quito, Ecuador, I'm a software engineer, proud pythonista (but knowledgeable in other languages and technologies as well) but overall an open source lover.

SKILLS

PHP
Go
HTML & CSS
Javascript
Ruby

A grid of 20 dots (4 rows by 5 columns) representing proficiency levels for various technologies. The first row (PHP) has 4 blue dots and 1 grey dot. The second row (Go) has 3 blue dots and 2 grey dots. The third row (HTML & CSS) has 4 blue dots and 1 grey dot. The fourth row (Javascript) has 4 blue dots and 1 grey dot. The fifth row (Ruby) has 2 blue dots and 3 grey dots.

LANGUAGES

French
English
Spanish

A grid of 15 dots (3 rows by 5 columns) representing proficiency levels for languages. The first row (French) has 5 blue dots. The second row (English) has 4 blue dots and 1 grey dot. The third row (Spanish) has 3 blue dots and 2 grey dots.
